

## PreCalculus Review Lesson & Assignment 7

Tuesday 4/14 (A) & Wednesday 4/15 (B)

### *Review Lesson:*

Open the Day 7 Review Lesson. This lesson reviews all of our Unit 3 on LINEAR AND QUADRATIC FUNCTIONS. Work through them to the best of your ability, asking questions along the way if you have them. (Just send me an email.)

When you feel good about your work, open the KEY posted on the Day 8 page of our website (AVAILABLE Wednesday, 4/15) to check your answers. Again, if you have any questions, just ask.

Use [www.desmos.com](http://www.desmos.com) OR the TI-84 at <https://education.ti.com/en/software/update/free-ti-software-license-student> for your graphing needs.

You DO NOT need to submit anything for Day 7 review.
