

PreCalculus Review Lesson & Assignment 9

Tuesday 4/20 (A) & Wednesday 4/21 (B)

Review Lesson:

Open the Day 9 Review Lesson. This lesson reviews all of our Unit 4 on POLYNOMIAL & RATIONAL FUNCTIONS. You are not required to print or submit this practice. Work through the problems to the best of your ability, asking questions along the way if you have them. (Just send me an email.) When you feel good about your work, open the KEY posted on the Day 10 page of our website (AVAILABLE Tuesday, 4/21) to check your answers. Again, if you have any questions, just ask.

Use www.desmos.com OR the TI-84 at <https://education.ti.com/en/software/update/free-ti-software-license-student> for your graphing needs.

You DO NOT need to submit anything for Day 9 review.
