

PreCalculus Review Lesson & Assignment 3

Monday, 3/23 (A) and Tuesday, 3/24 (B)

Review Lesson:

Open Review Day 3 Notes & Practice. **You are not required to print anything.** Work through the examples on a scratch sheet of paper. Email me at jlrobertson@rcps.info when you are ready for the answer key to this practice. I will reply and email it to you directly. We can correspond via email for any questions you might have.

Review Assignment:

This review assignment is a 10-question quiz on Pearson. You will have two attempts. Feel free to use www.desmos.com (or your own graphing calculator, if you have one) for any graphing needs you might have.

The assignment is due Wednesday, 3/25 by 11:59 PM.
